CHRISTINA

It just works

WHO ARE WE?

Christina Cosmeceuticals, founded in 1982, is a global leader in exclusive professional cosmetics, delighting customers with transformative products and unique experiences.

Our diverse portfolio of 11 collections is already present in some 60 countries. We are motivated by a passion for innovation and a desire to push the boundaries beyond the unpredicted.

IF IT **WORKS** IT'S

WHAT SETS US APART?

The mix of core values, convictions and high performance guides our commitment and materializes into a company aiming at long term, sustainable growth. Uncompromising ethics, integrity and persistence find their expression in our pledge to quality and excellence of breakthrough products. Our constant strive to surpass ourselves is the driving force that permeates every aspect of our venture and is expressed in a relentless quest for perfection, creativity and diversification.

THE BEGINNINGS OF A BRAND ETHOS

The Christina Company evolved from the personal vision and professional experience of one esthetician, Christina Miriam Zehavi. 1982 was the turning point when, realizing the need for visible and measurable results, she started developing and manufacturing products that provided solutions to a variety of skin conditions. Today, Mrs. Zehavi is an inspirational, acclaimed leader in the field of professional cosmetics who shares her impressive experience with peers all around the globe.

ECO RESPONSIBILITY

We respect biodiversity through a sustainable ingredients policy. To ensure the resources we use are in accordance with local laws and regulations, we require documentation as proof of compliance.

In our pursuit of global environmental sustainability we strive to apply clean chemistry - absence of synthetic preservatives and ingredients not tested on animals - in the manufacturing of all our products.

We carefully select components that meet the needs of the present without compromising the future of entire generations and the planet Earth.

TAILOR-MADE PARTNERSHIPS

Christina cooperates with an ever growing number of luxury spas. Each spa possesses its unique set of characteristics and its own special preferences, and the Christina team of experts is poised to assist them all. The company's long-term endeavor to create new spas and its involvement with those that are undergoing change has equipped it to provide customizes solutions and ensure successful transitions.

OUR COLLECTIONS & TREATMENTS

Christina's product lines have been developed by a leading team of scientists and aestheticians. They apply the latest, state-of-the art and award winning technologies to combine innovative active ingredients with traditional ones and create the perfect synergy between in-salon and home care follow-up treatments for best possible results.
